

We are a young Berlin start-up founded with the goal to make it easier to find your road to happiness. With the help of “**My Happiness Toolbox**” you get all the tools you need. On Wellio.net you can read science-backed tips and articles about happiness and its impact on health. We also offer online courses about happiness and healthy living and an app which increases your motivation and helps you integrate new habits in your daily life.

Starting September/October 2016 we are looking for

Interns (f/m)
with passion for Marketing and Communication
at our office in Berlin-Mitte

Your responsibilities:

- Design and implementation of our market entry (online and offline Marketing)
- Research of relevant topics and writing texts
- Maintaining our social media channels
- Flexible internship with room for ideas and own projects

Your profile:

- Enrolled student (Bachelor or Master studies) in business administration, economics, marketing, media, social/cultural sciences, design or similar studies
- Compulsory internship specified in study and examination regulations of your studies (so called “Pflichtpraktikum”, please specify workload/ECTS)
- Interest in happiness, motivation and healthy living
- Quick learning skills, ability to act independently, creativity
- Resilient, flexible, team player
- Good computer skills
- Fluent English skills (proficient or native speaker)

Interested? Then send us your resume and references to bewerbung@sennect.de. If you have any further questions, please contact us. We are looking forward to your application!
